Isaiah 40:1-11 Some Big Themes Get Introduced

Isaiah starts this section by throwing out 4 short snippets of the really BIG ideas that he will then develop through to the end of chapter 66. These are words of comfort for Jews in Babylon and are written for well into the future from Isaiah's day two centuries earlier. Many of the prophecies have multiple references – Jews in Babylon, the time of Christ, the Gospel and Church, and the Return of the Lord.

1. Read Isaiah 40:1,2 – What is God saying to the Jews? Does God stay angry forever? What does this say about our relationship with God?
2. “Iniquity” is sin so weighty that it naturally brings about its own catastrophic punishment (Isaiah 30:13). Iniquity is compared to a bulge in a wall that breaks and brings down the whole wall on those underneath. But God forgives it, see Isaiah 33:24, Jeremiah 50:20, Micah 7:18,19
3. Read Isaiah 40:3-5 and Matthew 3:1-5, John 1:19-34 - How was Isaiah's prophecy fulfilled? How many centuries did it take?
4. How does Isaiah 40:3-5 also point to the Return of Jesus? (Revelation 1:7, Matthew 24:26-31)
5. Read Isaiah 40:6-8 (This is an interaction between Isaiah and God.) What is the stark contrast that it draws between human history and God's eternity? How does it compare with the message of Isaiah 6:8-13?
6. What does it tell us about God's Word and the Gospel? See 1 Peter 1:22-25
7. Read Isaiah 40:9 - What is the “good news”? (Luke 8:1, Romans 10:15) How many different fulfillments does this prophecy have? What does it mean to “behold your God!”
8. Read Isaiah 40:10,11 - What do these two verses tell us about God? About both His severity and His mercy? (see Romans 11:22 which speaks about Jews and Gentiles, not individuals)
9. How is God gentle toward the weak and vulnerable? (Isaiah 42:3, Ezekiel 34:16, John 10:11-16)

Isaiah 40:12-31 - To Whom Then Will You Liken God?

These verses involve a lot of analogical thinking, where you have to use analogies, comparisons and inferences to get the point of what is going on. Try to think "what is the background to which this verse is the foreground" e.g. the contrast between created / humanly constructed idols and the Creator God.

1. Read the whole of Isaiah 40:12-31 – how does it answer the theological question of: "To whom then will you liken God?"
2. Isaiah 40:12-14 is a series of rhetorical questions (questions that are asked just to make a point in an argument, and which have obvious answers). What point is Isaiah making here? What does this tell us about the greatness of God?
3. Read Isaiah 40:15-17 What are the nations like before God? How "big" is God? What does this tell us about world politics and about ancient empires such as Babylon? How important is it to have this divine perspective?
4. Read Isaiah 40:18-20 List at least five of the differences between idols and God.
5. Read Isaiah 40:21-24 How does the eternal God outlast human institutions and empires? How are they like "stubble"? How should this knowledge help us as we pray to God?
6. Read Isaiah 40:25,26 What is God's relationship to the stars? How does this refute Babylonian astrology? Why shouldn't Christians read horoscopes? (Isaiah 47:12-15)
7. How great is God's knowledge of the Universe? How intimate is God's knowledge of the stars? Does He ever fail to keep things going? How does this contrast with the chaotic behavior of the so-called pagan gods?
8. Read Isaiah 40:27,28 - What is Israel complaining about? How was this questioning of God based on an incorrect understanding of God? How can good theology help us?
9. Read Isaiah 40:29-31 How does God strengthen those who have faith in Him? How is God's strength, our strength? See also Galatians 2:20 and Ephesians 3:20,21

Isaiah 41:1-20 Do Not Fear

This prophecy seems to jump between Cyrus, Israel and condemning idols, but all along it is declaring the absolute sovereignty of YHWH and His love for His people.

1. Read Isaiah 41:1-4 as God contends with certain nations by bringing the Persian ruler Cyrus against them. How does this illustrate the sovereignty of God?
2. What claim does God make about His existence (v.4)? See also Revelation 22:13
3. What is the futile response of those who are about to be judged by God? (Isaiah 41:5-7, Isaiah 2:18-22, Revelation 9:20,21)
4. Read Isaiah 41:8-10 What had God done for Israel in the past? How is Israel feeling now? What is God's reassurance to them? And what is His promise to them?
5. Read Isaiah 41:11-13 - How are the wicked often incensed against the righteous (think social media)? Should we be afraid of angry sinners? Who is our help?
6. Read Isaiah 41:14-16 How will God use Israel as part of His process of judging the nations? What do the "mountains" and "hills" symbolize? (Isaiah 2:12-17, Zechariah 4:7, 2 Corinthians 10:4,5)
7. Read Isaiah 41:17,18 How can this be interpreted on BOTH a literal level and on a spiritual level? (Ezekiel 47:1-11, John 4:14, 7:38, Revelation 7:17, 21:6, 22:1,17)
8. Read Isaiah 41:19,20 How has some of this been fulfilled since the reestablishment of the State of Israel? Where does God do His best miracles (v.19)? What are the spiritual lessons here for Christians?
9. How many times does God declare: "I will", "I shall" or "I am" in these 20 verses? What does that tell us about the way that God works?

Isaiah 41:21-42:9

The futility of idols and the glory of the coming Messiah

1. Read Isaiah 41:21-24 – What is the Lord’s challenge to the idol gods and to those who worship them? What are the idols incapable of doing?
2. How does God regard people who choose to worship idols instead of the Living God (Isaiah 41:24, Deuteronomy 7:25,26)? Does this still apply today (1 John 5:21, Revelation 9:20)? What should we do with idols?
3. Read Isaiah 41:25-29 - What were the idols and astrologers unable to predict? What was God’s evaluation of their so-called wisdom? See also Romans 1:18-25
4. Read Isaiah 42:1-4 and Matthew 12:15-21 What events in the life of Jesus fulfilled this prophecy of Isaiah? What are some of the key characteristics of the Messiah? What should Christians be like as a result?
5. Read Isaiah 42:5 How is God described? How is YHWH related to His Creation?
6. Read Isaiah 42:6,7 How does this passage describe the ministry of Jesus Christ? What incidents in the gospels remind you of this passage being fulfilled? See also Matthew 11:5, John 8:12, Acts 26:18, etc.
7. How did God set Jesus Christ as a covenant for us? Matthew 26:28, 1 Corinthians 11:25, 2 Corinthians 3:6, Hebrews 8:6-13,
8. Read Isaiah 42:8 How does God protect His glory? What are the consequences of this for us as Christians?
9. Read Isaiah 42:9 How does the fulfillment of prophecy help us to have confidence in the power, sovereignty and wisdom of God?

Isaiah 42:10-25 Two Kinds Of Blindness

These passages are full of illustrations, analogies and allegories, so put your spiritual thinking cap on!

1. Read Isaiah 42:10-12 God's praise reaches the ends of the earth and the remote parts of the earth (deserts, islands etc.). How can we carry the gospel to the last, the lost and the least so that Jesus is worshipped? (Psalm 97:1, Isaiah 24:14,15)
2. Read Isaiah 42:13,14 What is God doing here? Why does God restrain Himself in times past? What happens during times of judgment? (2 Peter 3:9,10; Acts 17:30,31)
3. Isaiah 42:15,16 In a previous study we saw that mountains = high and lofty people/ situations and pride that obstruct God (Zechariah 4:6,7). What sort of changes is God making in the world? How is He removing obstructions to the gospel? Who are the "blind" in these verses? What will God do for those without the gospel?
4. Isaiah 42:17 What will happen to those who trust in worldly idols?
5. Read Isaiah 42:18-20 and Revelation 3:17,18 Who are "the blind" in these verses and how are they different from the "blind" in the remote parts of the world? What is the cause of their blindness? What is the spiritual effect of constant disobedience?
6. Read Isaiah 42:21-23 What happens to people who ignore God's instruction? In what are they being "plundered and looted"? How does that teach us to "listen up and obey" in future?
7. Read Isaiah 42:24 How does God give people over to be "plundered" when they ignore the hard and fast rules of His moral universe? What is happening in many areas of society today?
8. Read Isaiah 42:25 What happens when judgment finally comes? Do people understand why they are being judged? (see also Isaiah 1:5,6; 9:13)
9. How does the repentance of "the islands" and the stubbornness of Israel play into the prophetic theme of Romans 11:7-9, 25-27?

Isaiah 43:1-13 The Price of Jewish Redemption and Liberation

The Jews in Babylon are sent back to Judea, in turn Cyrus gets to conquer Egypt and other nations.

1. Read Isaiah 43:1,2 What is meant by this, God's opening statement to Israel?
2. How do the promises in verses 1 and 2 above also apply to the Christian life? (Romans 8:28-39)
3. Read Isaiah 43:3,4 How is God showing His love for His people? - [BTW: The "ransom" here is used as a rather loose term meaning that in return for letting the Jews go back to Judea the Persian King Cyrus will get to conquer Egypt and some small North African nations that were not previously part of the Babylonian Empire.]
4. Read Isaiah 43:5-7 Where will God gather the returning Jews from? How is this an example of the multiple fulfillment of a prophecy?
5. "Do not fear for I am with you!" (Isaiah 43:5 see also 43:1,2 and 41:10,14 and also 1 John 5:18, Matthew 28:18-20). How can we live fearless Christian lives? Can you think of some gospel stories involving Jesus that involve this principle?
6. Read Isaiah 43:7 How does this verse apply both to Israel and to Christians? What does it teach us about God's purpose for our Christian lives?
7. Read Isaiah 43:8-10 [There are two groups here. The nations (idol worshippers) in verses 8 and 9, whose witness is futile. And the Jews in verse 10, who are witnesses to Yahweh the One True God.] What is God's purpose for His witnesses and how does it apply to us?
8. Read Isaiah 43:10-13 What do we learn here about the absolute incomparable uniqueness of the One True God?
9. Compare verse 13 "I act and who can reverse it" with John 10:28-30 – What does this tell us about the security of our salvation ?

Isaiah 43:14-28 Israel Neglected God!

Context notes: In verse 14 – the Babylonians were trapped by the Persian King Cyrus who drained the River and accessed Babylon and the ships they had prepared for escape were useless. Also there are two distinct sections here: verses 14-21 Escaping from Babylon, making a way through the wilderness. And 22-28 – Renewing the abandoned covenant with God.

1. Read Isaiah 43: 14-21 where God's redemption is described as an escape from Babylon, through an impassable and impossible wilderness, into a new and amazing relationship with God. How is this true on both a natural level and a spiritual level?
2. What is spiritual Babylon? (Revelation 17:1-5, 18:1-8) and how are we to escape it? (2 Corinthians 6:14-18)?
3. How does God make a path in the wilderness for believers? (Isaiah 43:16-19) And what does He provide for us there? (Isaiah 43:20, Revelation 22:1,17)
4. Read Isaiah 43:14,15,21 Describe the relationship between God and believers. What are the terms used? What do they signify? What does God promise?
5. How can Christians get stuck in the past? (Isaiah 43:18,19) What are we to do instead?
6. Read Isaiah 43:22-28 What is God's complaint with Israel?
7. Compare Acts 17:24,25, Micah 6:6-8 with Isaiah 43:23,24 What does God really want from us?
8. Why does God blot out our sins? (Isaiah 43:25, Ezekiel 36:21-24, Psalm 25:11, Micah 7:18,19)
9. Read Isaiah 43:26-28 and compare this with the curse of the Law in Deuteronomy 28:15-68. How did the disobedience of Israel trigger the curse of the Law? How are we redeemed from the curse of the Law? (Galatians 3:10-14)

Isaiah 44:1-8 - Water On Thirsty Ground

1. Read Isaiah 44:1,2 Notice the three names of Israel: Jacob (Genesis 25:24-26) which means Supplanter, Israel (Genesis 32:24-29) which means Prince of God, and Jeshurun (Deuteronomy 32:15, 33:5,26,27) which means Upright One. What is the theological significance of these three names in this passage?
2. Parallelism is an Old Testament way of saying the same thing in slightly different ways for reinforcement of an idea. Here it is ..."Jacob My servant and Israel my chosen"... later followed by "Jacob my servant and Jeshurun My Chosen..." What is God trying to say here?
3. What does the first part of Isaiah 44:2 tell us about God's absolute commitment to us?
4. Read Isaiah 44:3 [Notice the parallelism! In verse 3, the first part of the verse is concrete and literal, while the second part is spiritual and theological, but they are saying exactly the same thing!] What is God's promise to His people? Compare it with Acts 2:17,18 and Ephesians 4:10
5. Read Isaiah 44:4,5 How does verse 5 expand on the idea in verse 4? How does the pouring out of the Spirit (v.3) result in spiritual growth (v.4,5)? How do they express their loyalty to God?
6. Read Isaiah 44:6 List all of the ways in which God describes Himself? How would this encourage Israel? How would it help them to overcome any superstitious fear of foreign gods such as the occult gods of Babylon? [Note: Lord of Hosts = "Yahweh of Hosts" (Yahweh tsebha'oth) and means the God who is in charge of spirits, angels, heavenly armies etc. Psalm 103:21. A term associated with God defending Israel in war – 1 Samuel 17:45, Isaiah 1:24]
7. Read Isaiah 44:7,8 What theological challenge is God issuing here? What is God's question to them?
8. In Isaiah 44:8 (in the Hebrew and in some translations) God describes Himself as a "Rock", what does that mean? (1 Samuel 2:2, 2 Samuel 22:2,3, Psalm 31:2,3, 1 Corinthians 10:4)
9. "Do not tremble, do not be afraid..? How does having a correct view of God help us to conquer all anxiety? Philippians 4:4-9

Isaiah 44:9-28 - Idols Are Nothing, God Is Everything

1. Read Isaiah 44:9-20 What is Isaiah's logic here? How is this a completely devastating argument against idols?
2. What is God's opinion of idols? (Isaiah 44:9,19) What is fundamentally wrong with people who choose to worship idols? (Isaiah 44:17-20, 2 Corinthians 4:3,4)
3. Read Isaiah 44:21 What is God asking Israel to remember? What won't God forget?
4. Read Isaiah 44:22,23 What two things has God done for Israel, that will cause the heavens and all nature to rejoice? How is joy a fundamental part of the way that we should react to God? (Philippians 4:4)
5. Read Isaiah 44:24 How was God involved in Creation? How does this refute polytheism (belief in many gods)? How does it also refute abortion? (Psalm 139:13, Luke 1:15,41)
6. Read Isaiah 44:25 What does God do to astrologers, diviners, false prophets and people who use the occult to make predictions about the future?
7. Read Isaiah 44:26-28 What does God do with His prophetic word given to His servants? What are some of the specific things that God promises that will happen?
8. Isaiah wrote this winning argument against idols nearly 2800 years ago. On one hand we have the blindness and folly of those who worship idols and follow the occult and on the other hand we have the clear testimony of the One Creator God and of His prophets. What is the reason that some people still choose to worship idols today?

Isaiah 45:1-13 The Absolute Sovereignty of God Over People

1. Read Isaiah 45: 1-3 and John 3:27 - Where did Cyrus receive tremendous strength and victory from? (The Persian Empire was the largest of its time.) How does God “give” things to people?
2. Read Isaiah 45:1-3,13 and list all the things that God was saying that He would do for Cyrus.
3. Read Isaiah 45:4-6 Did Cyrus know God? Did Cyrus pray to Yahweh? Was Cyrus’ success due to his goodness or piety? How does this challenge some of our religious assumptions? Can God sovereignly use non-Christians for His purposes and can God reward non-Christians in doing so?
4. Read Isaiah 45:4-6 and John 17:3 What does it mean to really know God?
5. Read Isaiah 45:7 in a number of different translations. It is a very puzzling verse. What does it tell us about God? How could it be misunderstood? (see 1 John 1:5 for a correct perspective) How does the overthrow of Sodom and Gomorrah fit into this picture?
6. Isaiah 45:8 is very poetic and uses the phrases “let the skies”, “let the earth” how must we respond to God’s initiative if salvation and righteousness are to grow in our midst?
7. Read Isaiah 45:9,10 What was God’s response to those who might question Him about His blessing of Cyrus who was “the work of His hands”? How can we be envious about what God is doing with other people? (see Matthew 20:1-16)
8. Read Isaiah 45:11,12 Why does God have absolute authority over people and their destinies?
9. Read Isaiah 45:13 What was God going to do for the captive Jewish people, through Cyrus?

Isaiah 45: 14-25 A God Who Hides Himself!

1. Read Isaiah 45:14 and Ezekiel 38:1-5,23 - These are the people of the eastern regions of North Africa, who are now solidly Muslim. What would it take for them to bow down to the God of the Jews?
2. Read Isaiah 45:15, Romans 11:33,34 - How “wise” and inscrutable are the plans of God? How is God hidden from unbelievers?
3. Read Isaiah 45:16,20 - What happens to those who create “alternative spiritual paths”?
4. Read Isaiah 45:17 - There are two kinds of Salvation a capital “s” Salvation which is for all eternity and a small “s” Salvation which is something like being saved in battle or from a flood. What is God describing here?
5. Read Isaiah 45:18,19; Amos 9:13-15, Isaiah 65:17-25 - What point is God making here? How does He create flourishing ecosystems? What can we expect if we obey God’s rules for our relationships and for our communities?
6. Read Isaiah 45:21,22 - How many times is the concept “no other God” used in these verses? Through our section today (v. 14-25)? Why is “alternative spirituality” a total fraud? Why does EVERYONE on earth have to turn to the one and only God?
7. Read Isaiah 45:23, Psalm 22:27-31 and Philippians 2:5-11 – how will God get the whole earth to worship Him, and Him alone? How serious is God about this?
8. Read Isaiah 45:24 and Psalm 2 - Who is enraged at God and why? How do we see this rage displayed today?
9. Read Isaiah 45:25, Romans 3:24,25; 1 Corinthians 6:11, 2 Corinthians 5:21 – What does it mean to be “justified” by God?

Isaiah 46: 1-13 Spiritual Failure and God's Grace

In this chapter the idols turn out to be totally useless failures, and are carried off into captivity. (46:1,2,6,7) At the same time Israel is shown grace despite being transgressors (v.8,12). God demonstrates His sovereign grace to His chosen people with powerful promises and the fulfillment of prophecy.

Historical note: *Bel, called Belus by the Greek and Roman writers, is the same as Baal; and Nebo is interpreted by Castell and Norberg of Mercury; the two principal idols of Babylon. When that city was taken by the Persians, these images were carried in triumph.*

1. Read Isaiah 46:1,2 and Colossians 2:8 What happened to the so-called powerful gods of Babylon? Why does idolatry and false philosophy always end up in spiritual failure?
2. Read Isaiah 46:3,4 – What is the promise of God here? How does it apply to us as individuals? To Israel as a nation?
3. Read Isaiah 46:5,9 What is the challenge of the Lord in verse 5? How should this challenge be answered (v.9)?
4. Read Isaiah 46:6,7 How does God ridicule idols? Should Christians point out the faults of cults, false religions and empty philosophies? If so, how should it be done?
5. Read Isaiah 46:8,9 – What were the Jews to remember? How important is it for us to remember the works of the Lord?
6. Read Isaiah 46:10,11 What do these verses tell us about God?
7. Read Isaiah 46:12 What was the spiritual state of Israel? (see also verse 8) What does it mean to be hard-hearted and far from justice?
8. Read Isaiah 46:13 – What will God do for Israel in spite of their terrible spiritual state?

Isaiah 47 – The Fall of Babylon

Contextual Note: *The Chaldeans were a tribe in south-eastern Babylonia noted for their astrology, “daughter of the Chaldeans” means that the Babylonians had become spiritual daughters of the astrologers.*

Main Point: How God judges arrogant, wealthy oppressive nations that trust in magic and sorcery.

1. Read Isaiah 47:1-3 What kind of woman is Babylon portrayed as? What happens to her? How does sin lead to utter humiliation in the end?
2. Read Isaiah 47:4 This verse contrasts sharply with the surrounding verses. How are the elect redeemed out of Babylon? (2 Corinthians 6:14-18, Revelation 18:1-5)
3. How are Christians to be separate from the world? There is a saying: “In the world but not of the world.” However, at some points we may need to get out of a certain situation (e.g. working for a dishonest employer). How can we draw the line and make the decision?
4. In Isaiah 47: 5-7 Babylon is portrayed as a merciless harsh and haughty mistress who makes life hard for her servants. How is our attitude toward others important to God? (Luke 14:11, James 4:6, Psalm 18:25-27)
5. Read Isaiah 47:10,11 Why did Babylon feel secure? How can great wisdom and knowledge lead to a false sense of security that rebels against God?
6. Read Isaiah 47:12,13 - What challenge does God hurl at the Babylonian astrologers? How much wiser are those who serve the Lord? (Daniel 1:20, 2:17-28)
7. Read Isaiah 47:14,15 - The astrologers are powerless to prevent the fall of Babylon. We can only manipulate things so far with “witchcraft” before God’s absolute moral laws and total sovereignty take over. How can Christians be involved in manipulative behavior? What should we do instead?
8. Think of the stock market. People are always trying to predict it and manipulate it but mostly they totally fail with their “systems”. How has God created a world that only works “by faith”?

Isaiah 48:1-11 God vs. Israel

In these verses God rebukes Israel for its willful stubbornness and unrighteousness, while, at the same time, showing great mercy to them.

1. Read Isaiah 48:1,2 and Isaiah 1:10-14 What was wrong with the way that Israel worshipped the Lord? How does this apply to our lives as Christians?
2. Read Isaiah 48:3-5 Why did God tell them things long ago? How does the fulfillment of prophecy confirm God's word? (e.g. Micah 5:2 and Matthew 2:1-6)
3. Read Isaiah 48:6,7 What was God going to do? Why was He going to take this approach? What is God's attitude toward rebellious Israel?
4. Read Isaiah 48:8 What was the spiritual state of the nation of Israel? How long had it been that way? What does it mean by "their ears" had not been open? (Hebrews 5:14, Jeremiah 6:10)
5. Read Isaiah 48:9, Psalm 78:38, Ezekiel 20:21,22 Why does God delay His anger?
6. Read Isaiah 48:10, Proverbs 17:3 and Ezekiel 22:18-22 What was God going to do to Israel?

8. Read Isaiah 48:5,11, Daniel 9:19 and Isaiah 42:8 Why does God act? Why is His glory very important?
9. How can we live for the glory of God? Why should we be very careful to give the glory to God for our success in life? (Acts 12:20-23)

Isaiah 48:12-22 God's Alternatives

These verses emphasize BOTH God's sovereignty and human choice. Our destiny is formed by our obedience to and interaction with God's will (verses 17-19), while God is absolutely sovereign over the Babylonians.

1. Read Isaiah 48:12,13 God is speaking like a commanding General who calls the Universe to stand at attention. What is God in absolute command of (according to these verses)?
2. Read Isaiah 48:14-16, Luke 4:18 Who is God speaking about here: Cyrus or the Messiah?
3. How does God send Jesus and the Spirit? (John 3:16, Acts 2:32-36)
4. Isaiah 48:15 "and he shall prosper in his way." How much of our prosperity is because of our own hard work, and how much is by the blessing of God?
5. Read Isaiah 48:17-19 How does God "teach us to profit" and "lead us in the way to go"? What would have happened if Israel had obeyed God? What paths will God open up to us if we choose to obey Him? What will be denied to us if we choose to disobey Him?
6. Read Isaiah 48:20 What was Israel to do now? Was there a risk involved? What is the cost of "leaving Babylon"?
7. Read Isaiah 48:21 How would God provide for the people going back to Israel as they obey Him? How does faith lead to blessing? What is the choice here?
8. Read Isaiah 48:22 Peace =Shalom = The Blessed Life Why is there no peace for the wicked? What does this tell us about choosing to obey or disobey God?
9. How does God interact with the decisions of human beings?

Isaiah 49:1-13 The Lord, The Redeemer

A description of the Messianic Redeemer

1. Read Isaiah 49:1-3 Colossians 1:24-26 How is the Messiah “God’s secret weapon”?
2. Read Isaiah 49:4,5 and 2 Corinthians 4:9-13 How do prophets, pastors, missionaries and other servants of God feel at times? What is God’s promise to them?
3. Read Isaiah 49:6 and Luke 2:29-32 How is the Messiah to be for all nations?
4. Read Isaiah 49:7 and Philippians 2:5-11 How did this verse become a true prophecy of the life of Jesus Christ?
5. Read Isaiah 49:8, Matthew 26:28, Hebrews 8:6, 12:24 How was Jesus given as a covenant to the people?
6. Read Isaiah 49:9,10 and 2 Corinthians 4:4-6 What does the Messiah do for His redeemed ones? Why should this verse be interpreted allegorically / spiritually? How do these verses apply to Christians?
7. Read Isaiah 49:11,12, Luke 3:4,5; John 14:6 Who comes to the light of the gospel? What does God do to enable this to happen?
8. Read Isaiah 49:13, Psalm 96:11-13, 2 Thessalonians 2:16,17 What is God’s assurance to exiled Israel?

Isaiah 49:14-26

“I have engraved you on the palms of my hands...”

A response to Israel’s complaint.

1. Read Isaiah 49:14, Psalm 42:7-11 What is Israel’s complaint? Have you or someone you know ever felt that they have been completely forgotten by God? What happens when we adopt a short-term view of God’s actions and justice?

18 Reasons For Unanswered Prayer

There are four basic categories of reasons why your prayers are not answered other than "the sovereignty of God". These are: A) Spiritual sins such as doubt, hypocrisy, pride, flippancy etc. B) Treating others badly - rudeness, unforgiveness, malice, anger, wrath, divisiveness. C) Major sin - things categorized as "doing evil" (1 Cor 6:9,10) D) Praying amiss - lack of persistence, not fasting, not using Jesus' name etc.

Scripture	Reason	Solution
James 1:5-8	Doubting God	Deciding to believe what God says and acting on it.
James 4:2	Not asking God in the first place but trying to obtain it by quarreling.	Ask God in prayer for your needs.
James 4:3	Asking wrongly e.g. for worldly pleasures.	A distinct separation from the world/not loving it.
1 Peter 3:7	Treating your wife in an inconsiderate manner.	Living with her in an understanding way.
1 Peter 3:12	Doing evil	Be righteous.
1 Peter 4:7	A flippant attitude to holy things.	Being serious and watchful.
Matthew 6:5,6	Hypocritical attention-seeking.	Pray in private to God not publicly for show.
Matthew 6:7	Using vain repetition (e.g. like Buddhist prayer wheels etc.).	Pray concisely knowing that God is hearing and knows your needs.
Matthew 18:19	Lack of unity especially among Christian leaders.	Agreement & fellowship.
Mark 9:29	Some situations need fasting as well.	Spiritual discernment and a disciplined life.
Mark 11:25,26	Unforgiveness	Forgive whoever has offended you from the heart.
Luke 18:1ff	Lack of persistence	Do not lose heart or give up.
Luke 18:9ff	Spiritual pride	Humble yourself before God.
1 Timothy 2:8	Wrath/anger	Live peaceably in prayer.
1 John 5:14	Not according to God's will (God's broad moral will is meant here)	Ask within the bounds of Scripture.
John 15:7	An erratic life that seldom "abides" in God.	Abide in Jesus words and let them abide in you.
John 14:13,14	Not asking "in Jesus name" i.e. asking in the will and clear purposes of Jesus and with His designated authority.	Ask in Jesus's will for God's purposes with a sense that the authority comes from God not you.
John 16:26,27	Not believing in Jesus.	The Father loves those who believe in his Son and will answer their prayers as a result.

Isaiah 62:1-12 The Coming Salvation of Zion

Quickly glance through the article on Zion – the holy city, and the heavenly city....

1. Read Isaiah 62:1 Note the Hebrew parallelism that equates Zion with Jerusalem. What is the prophet declaring? What are God's plans for Jerusalem?
2. Read Isaiah 62:2,3 Notice the repeated statements "you shall be" This says that God has a definite destiny for Jerusalem that will be achieved despite her sin, mistakes and self-will. The salvation of Zion is never in doubt. How does this apply to our Christian destiny?
3. Read Hebrews 12:22-24, 1 Peter 2:6, Revelation 3:12, 14:1 How are Christians part of Zion? How do the promises of Isaiah 62 apply to us? (2 Corinthians 1:20, Ephesians 1:3)

Isaiah 63:1-9 God Avenges Israel

1. Read Isaiah 63:1 (note: Edom was a traditional enemy of Israel and Bozrah was its capital city, it was also the land of Esau and was associated with the color red) Who is doing the marching? How powerful is He? What does He claim about Himself?
2. Read Isaiah 63:2,3; Joel 3:13-16; and Revelation 14:19,20 & 19:11-16 Why do you think a winepress is used as a symbol of utter devastating judgment? When does this “winepress” battle of total judgment take place?
3. Read Isaiah 63:4, 34:8, Luke 11:45-52, 21:22, and Revelation 6:9-17 How does it make you feel that God has set “times of vengeance” for the persecution of the saints and prophets, the Jews, and of the Christian Church. Why doesn’t God just “zap them immediately”?
4. Read Isaiah 63:5 Luke 18:7,8 Why was there no one to help Jesus? Do you think that, by this time, the whole world might be under the control of the Anti-Christ?

Isaiah 63:10-19 Isaiah Laments the Spiritual State of Israel

*To lament is to outwardly and openly express **deep regret, grief, or sorrow**. We can lament through words or actions. Lamenting is a common theme in the Bible. In fact, there is an Old Testament book named Lamentations.*

1. Read Isaiah 63:10 What did the Jewish people do wrong? What was God's response? What does it mean to: "Vex the Holy Spirit?" (Matthew 12:31,32; Acts 5:1-4, 7:51, Ephesians 4:30,31; 1 Thessalonians 5:19, Hebrews 10:29) Which of these sins against the Spirit did Israel commit? (1 Thessalonians 2:15,16)
2. Read Isaiah 63:11-13 What is being recalled here? How does it help us when we recall all the lovingkindesses of the Lord to us and to our nation? (Psalm 77:11,12)
3. Read Isaiah 63:14 How does the Holy Spirit give people rest? What is the illustration here? (Matthew 11:28-30, Hebrews 4:3-11)
4. Read Isaiah 63:15 How does Isaiah express his utter spiritual desolation? Have you ever felt like this?
5. Read Isaiah 63:16 "Yet you are our Father..." This is a very dramatic verse. What is Isaiah doing here? What claim is he making on God? How can we make such claims on God during prayers of intercession?
6. Read Isaiah 63:17 – This is a very difficult verse about God hardening people's hearts! There are three views:
 - A. That God has designed a Universe where people's hearts can be hardened by sin and this law is so strict that it can be said that God hardens people hearts.
 - B. That God deliberately and sovereignly hardens people's hearts whether they want them hardened or not and that we have no choice in the matter.
 - C. Both of the above but at different times. Mainly we have a choice.(Exodus 10:1, 14:8 Joshua 11:20, Psalm 95:8, Mark 6:51,52; John 12:40, Acts 28:25-28, Ephesians 4:18, Hebrews 4:7)
7. Read Isaiah 63:18,19 Can you hear the sadness in Isaiah's voice as he cries out about a dispossessed and rejected people: Is it OK to talk like this to God? To express such negative feelings about where things are at?

2. Read Isaiah 64:3 Have you ever seen an “awesome work” of God? Here Isaiah looks back to the Exodus and the ten plagues and to Mt. Sinai. What would be an awesome work of God today?
3. Read Isaiah 64:4 What does it mean to “wait upon God”? (Psalm 62:1, 130:5) How do we do this?
4. Read Isaiah 64:5 The first half of the verse contrasts strongly with the last half. What is Isaiah trying to get across? How is our relationship with God affected by our disobedience?
5. Read Isaiah 64:6,7 Zechariah 3:1-5, Philippians 3:7-11 What is the spiritual state of a person who is religious but who is without Christ? How do we become righteous?
6. Read Isaiah 64:8, Jeremiah 18:10, Psalm 119:73 What are the three metaphors that Isaiah uses to illustrate the relationship between God and Israel? How do these relate to the idea that God creates national destinies? How might this apply to the various nations of the world today?
7. Isaiah 64:9,10 2 Chronicles 36:19-21 What happens when God judges national sin? Why is the prophet sad at the righteous judgment of God?
8. Read Isaiah 64:11,12 The severity of God can be terrifying, at least it was to the prophet Isaiah. How many empires have come and gone because of the judgment of God? How many places, once great, now stand in ruins? How can this teach us to fear the Lord?
9. Read Jeremiah 7:1-16, Acts 7:48, 17:24 The destruction of the Temple was particularly shocking. Surely it should be spared! What was God’s view of His Temple? How does that relate to church buildings today?

Isaiah 65:1-12 Spiritual Rebellion

1. Read Isaiah 65:1 and Romans 10:19-21 God seeks out all people, even those who do not seek Him at all! What does this tell us about the nature of God? (Also see the three parables of lost things in Luke 15)

5. Isaiah 65:8, Amos 9:8,9; Matthew 24:22, Romans 9:27-29, 11:5 This is the doctrine of the Remnant, even when God judges harshly He often saves a chosen remnant of the people. Why does God do this? How does this demonstrate His very great mercy and grace?
6. Read 2 Peter 2:4-10 Do the remnant vanish before the trial / judgment or are they left standing AFTER the trial/judgment?
7. Read Isaiah 65:9,22 Romans 11:5-7 Who are the "chosen"? What do they possess?

9. Read Isaiah 65:11,12 "for when I called, you did not answer".... What is the end result of spiritual stubbornness? What does it mean to choose that which the Lord delights in?

Isaiah 65:13-25 The Glory of God's Servants

This passage foretells of a time on earth that is radically different, but is not yet the eternal state because 1. There are sinners and 2. People do die (but they live very long lifespans) so it seems to support the idea of a Millennium where Satan is bound for 1000 years (Revelation 20:1-3)

1. Read Isaiah 65:13,14 and Malachi 3:16-18 "My servants shall... but you will...." At the moment we do not see much difference in prosperity between those who serve God and those who do not, but in this future time, the distinction will be clear. Why is it tricky to measure God's favor and blessing in terms of material prosperity?
2. Read Isaiah 65:15, Revelation 2:17, 3:12 What is the idea of a new name? Who in the Bible got "another name"? (<https://godwords.org/name-changes-in-the-bible/>) In Isaiah 65:15, whose name becomes a curse? Whose name becomes a blessing?
3. Read Isaiah 65:16,17, 66:22; Revelation 22:1-5 and 2 Peter 3:11-13 What things are not remembered any more? What happens to the painful, cursed, fallen world?
4. Read Isaiah 65:18,19 How are we to rejoice over God's future Creation? Why is the "end of the Story" the most important part? (Matthew 16:26, Luke 16:22,23)
5. Read Isaiah 65:20-22 What will happen to the human lifespan in this time of blessedness and favor? What will be different about the nature of work?
6. Read Isaiah 65:23 and Matthew 19:27-30, 22:30 We find the blessed people during this age are bearing children and having descendants, so how is it different from the eternal state? How does this support the idea of a Millennium and the restoration of all things?
7. Read Isaiah 65:24, Psalm 91:15 and 1 John 5:14,15 What is the difference between prayer in the broken world and prayer in the age of blessing? Are there places and times when prayer is much easier?
8. Read Isaiah 65:25 What do each of these animals symbolize? How can animals represent certain aspects of human nature e.g. wolves, foxes, pigs etc.? How is this to be interpreted spiritually (not literally)? Who is both the Lion and the Lamb?
9. Read Isaiah 65:25, Matthew 10:16-18 How does God's Perfect Shalom tend towards total harmlessness and trust? Why is that not the case now?

Isaiah 66:1-14 Peace Like A River

9. Read Isaiah 66:12-14; 40:1,2 and 48:17,18 How does this start completing the circle of Isaiah's prophecy? What does peace like a river mean to you?

8. Read Isaiah 66:23 and Zechariah 14:3-5,16-19 After the great revival, after the Great Battle, apparently "everyone" will worship God in Jerusalem. How is this the completion of the Great Commission? How does the Great Battle lead to the fulfillment of the Great Commission?
9. Read Isaiah 66:24, Mark 9:42-48, Revelation 14:9-12 Why does God tell us about Hell?
